CEO BREAKFAST & INNOVATION AWARDS

2023 PARTNERS

CEO BREAKFAST

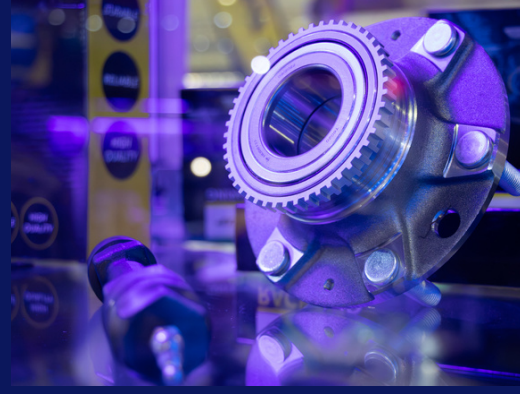

The CEO Breakfast at Automechanika 2023 was a resounding success, bringing together industry leaders and visionaries for a morning of insightful discussions. CEOs from prominent automotive companies convened to share perspectives, explore emerging trends, and chart the course for future collaborations. This exclusive gathering fostered invaluable connections and set the tone for innovation in the automotive sector. It was a true highlight of Automechanika 2023, encapsulating the event's commitment to driving excellence and shaping the future of the industry.

INNOVATION AWARDS

The Innovation Awards at Automechanika 2023 celebrated pioneering advancements within the automotive industry. Among the standout innovations, "Strategic Fulfilling Branch Mapping" emerged as the 2023 winner, demonstrating groundbreaking solutions that are set to reshape the automotive landscape. These awards highlighted the relentless pursuit of excellence and ingenuity within the sector, showcasing Automechanika's commitment to recognizing and propelling innovation in the automotive world.

Exhibition Highlights

The Automechanika Johannesburg hall was alive with vibrant energy for three consecutive days, as industry leaders, innovators, and automotive enthusiasts converged to explore the latest trends, technologies, and innovations in the world of automobiles. It was a dynamic and knowledge-packed event that showcased the relentless spirit of progress within the automotive sector. It continues to be the premier destination for all things automotive, setting the stage for innovation and progress in the global automotive landscape.

THE INDUSTRY SPEAKS

“My experience at Automechanika was really good. We had a really good mix of people come and through. We have made good contacts and good networking has been happening” - Grant, Hella Automotive

“The turnout for Automechanika was really really good this year. We had a lot of feedback from our customers. The show was quite, I would say, fruitful.” James - TecAlliance

“We both Automechanika very engaging, customer's are really interested in what we have available for them, and we found it really fruitful.” - Miles, Maersk

We have had a fantastic time at Automechanika. Johnathan Snow - Eurorepar
